

Suraj Satish Chipade

Varvand, Daund, Pune, 412215
9921047604 | surajchipade2002@gmail.com

Objective

Quick-learning fresher with expertise in React Native, ReactJS, and WordPress, complemented by strong knowledge in cloud architecture and Java backend development. Proficient in mobile and web application development using Android Studio, Spring Boot, and JPA. Motivated to deliver optimized solutions in a collaborative environment.

Projects

Mobile Attendance Tracker (React Native)

- Designed and implemented a cross-platform mobile app for attendance tracking
- Integrated local storage solutions and optimized user experience
- Built responsive UI components for seamless attendance management

Portfolio Website (ReactJS)

- Developed a dynamic personal portfolio using ReactJS for enhanced interactivity
- Implemented light and dark themes and tailwind css for styling
- Optimized site performance and user experience across devices

Product Management System (ReactJS & Spring Boot)

- Created a full-stack inventory tracking solution with ReactJS
- Developed companion web interface using ReactJS and Spring Boot backend
- Implemented offline-capable local storage and intuitive product management UI

Vehicle Parking System (Spring Boot & AngularJS)

- Built dynamic slot management system using Spring Boot and JPA
- Designed responsive frontend with AngularJS for improved user experience
- Implemented real-time parking space tracking and reservation system

Blogging App (Spring Boot & ReactJS)

- Developed full-stack blogging platform with Spring Boot backend
- Created dynamic blog posting interface using ReactJS
- Integrated user authentication and content management features

Technical Skills

Frameworks & Libraries: React Native, ReactJS, Spring Boot, JPA, Hibernate

Cloud Technologies: Cloud security and architecture fundamentals

Databases: MySQL, Oracle Database, MongoDB

Mobile Development: Android Studio, React Native

Programming Languages: Java, JavaScript, PHP

Web Development: WordPress, HTML, CSS, JavaScript

Tools: Git, Postman, Eclipse, VS Code, Android Studio

Education

- Full Stack Java Developer** - Symbiosis Centre for Distance Learning (2024)
- BBA (CA)** - Savitribai Phule Pune University (2021-2024)

Certifications

- Full-Stack Java Developer Certification (Symbiosis Centre for Distance Learning)
- React Native Development Certification (YouTube/Online Platforms)
- WordPress for Beginners (Online Platform)

Additional Information

Results-driven fresher developer specializing in mobile and web application development. Demonstrated ability to quickly master diverse technologies including React Native, ReactJS, WordPress, and Android Studio. Ready to contribute technical expertise in a dynamic environment.
